## **THE POINT(S) AT WHICH FISH AND FISH PRODUCTS MAY ENTER A CHAIN OF CUSTODY**

Landings will be made primarily at Dutch and Danish designated ports, namely:

- NL: Harlingen, Delfzijl, Eemshaven, Louwersoog, Den Oever, Den Helder, IJmuiden, Scheveningen, Goedereede, Vlissingen, Breskens, Colijnsplaat, Urk.
- DK: Hanstholm, Thyboron, Esbjerg.
- BE: Oostende, Zeebrugge.

The scope of this certification ends at the points of landing which are listed above. Downstream certification of the product would require appropriate certification of storage and handling facilities at these locations

## **THE PARTIES, OR CATEGORIES OF PARTIES, THAT ARE ENTITLED TO USE THIS CERTIFICATE TO ENTER FISH FROM THE CERTIFIED FISHERY INTO CERTIFIED CHAINS OF CUSTODY**

The Public Certification Report on the MSC website contains a list of registered companies and vessels at certification.

In the course of the certification it is possible that further companies/vessels may join the client group. This would be in accordance with the MSC's stated desire to allow fair and equitable access to the certification. CVO have procedures to allow changes and will maintain an up to date list on their website ([www.cvo-visserij.nl](http://www.cvo-visserij.nl)).
